2. A report on feedback from members.

Norman Dunnington (ND), chaired the meeting, assisted by John Banister (JB Secretary) and Grahame Quigley (GQ Treasurer.)

ND opened with a summary of the reason for the meeting then offered to take questions. Some questions were raised and some general discussion took place, all of it concerning the future development of the club. Finally, a vote on the question in hand was proposed by Geoff Mullett and seconded by John Lacey. A show of hands produced an overwhelming majority for the motion, with just one abstention and no vote against. Therefore, the motion to establish New Orleans (Louth) Club as a CIC was carried.

ND went through the feedback we had received from members and what measures had been taken. The meeting ended at 1940.
